Skills

Frontend: React, GatsbyJS, JavaScript, REST APIs, Typescript, Tailwind CSS, SCSS, Framer Motion, Figma, Adobe Creative Suite
Backend: GraphQL, Node.js, Firestore, Puppeteer

Personal Projects

Hacker News Paywall Archiver
Skills: React, Typescript, Tailwind CSS, Node.js, Firebase Hosting, Firestore, Puppeteer
- Automatically archives paywalled HN submissions on archive.is. Provides frontend for valuable stats and process tracking. Scanned +35,000 URLs, archived +4,000 so far.
- https://hpa.emre.ca | https://github.com/MostlyEmre/HN-Paywall-Archiver

Hacker News Reader
Skills: React, Custom CSS, REST APIs, Firebase Hosting
- Supports persistent favourites with localStorage, pagination, user profiles and comments.
- https://hn.emre.ca | https://github.com/MostlyEmre/hnn

WARG8 Card Game
Skills: React, Typescript, Tailwind CSS, Firebase Hosting
- Created a card game and a landing page for the 7-day-long Mintbean Hiring Hackathon. Fully responsive, earned a Mintbean Star award.
