EMRE C. AYDIN

Front-end Developer

https://emre.la
emre@emre.la
https://github.com/EmreYYZ
https://www.linkedin.com/in/johnaydin/

As a product designer previously with 2 years of experience helping early-stage tech start-ups, I decided to continue my career in front-end development. As a self-taught developer, I like delving into documentation, finding new and exciting tech and learning it. I admire tech-based art and activism.

TECHNICAL SKILLS

ReactJS	TailwindCSS	GraphQL
JavaScript	Gatsby JS	Framer Motion
TypeScript	REST APIs	Figma
HTML + CSS	Google Cloud Firebase	Adobe Creative Suite

PROJECTS

Hacker News Reader & **Paywall Archiver** https://hn.emre.la / https://hpa.emre.la
Paywall-aware Hacker News reader. I also created a backend and frontend for automatically archiving and showcasing paywalled articles.
Tech: ReactJS, Firebase (Hosting), Firestore, REST APIs, NodeJS, Puppeteer, Tailwind CSS, TypeScript

SaveThat.ca (WIP)
Helps immigrants to save money until they get familiar with Canadian brands.
Tech: ReactJS, TailwindCSS, Firebase (Cloud Firestore)

WARG8 Card Game - https://war.emre.la
A card game and a landing page I made for a 7-day-long hackathon called Mintbean.
Tech: ReactJS, TypeScript, TailwindCSS, Firebase (Hosting)
